Widget Installation Instructions

1. Header Right

This is where you can add an advertisement. The demo is using the Image Widget to place a 728 x 90 image, however you can drag over a text widget and place your ad code in there.

2. Primary Sidebar

The primary side bar which is located on internal pages and posts contains an image widget and two Genesis Featured Posts widgets.

3. Before Header

This area contains one Genesis Featured Posts widget.

4. After Primary Nav

The After Primary Nav widget is a random widget area that streams on all pages in case you would like to put another ad, image, message, or what have you. (Not shown in the demo)

5. Ad Banner 1

The Add Banner 1 widget area is located below the primary navigation and can be seen site wide. (Not shown in the demo)

6. Ad Banner 2

The Add Banner 3 widget area is located above the footer (before the Tags) and can be seen site wide. (Not shown in the demo)

7. Home Box Slider

This is the main slider-in boxed format (not full width).

8. Home - Top Left

This area contains one Genesis Featured Posts Widget set to display 1 post from one category.

9. Home - Top Right

This area contains an Image Widget to place an image. You can also use this area for another type of ad code using a Text Widget.

10. Home - Middle

This area contains one Genesis Featured Posts widget set to display 2 posts from one category.

11. Home - Bottom

This area contains one Genesis Featured Posts widget set to display 2 posts from one category.

12. Call to Action One

This area contains the Genesis eNews Extended plugin. You should configure the eNews widget per the plugin instructions.

13. Call to Action Two

This area contains one Genesis Featured Posts widget set to display 5 posts from one category.

14. Before Footer

This area contains the Tag Cloud widget with the taxonomy set to "Tags".

15. After Footer

This area is located below the footer area and can be used with a Text Widget for ad placement or some other type of message. (Not shown in the demo)

16. Slide Out Box

This is the slide out widget that contains the Genesis eNews Extended Widget.

17, 18, 19, 20 and 21 Footer Widgets

Footers 1, 2, 3, and 4 contain Custom Menus. Footer 5 contains a Text widget for the name and the Simple Social Icons widget to link to your social media accounts.

22. After Entry

This area can be used to add other miscellaneous content such as an ad banner, an additional sign up box, or some other special message using.

Other items

Related Posts – the related posts shown on the demo is from the Jetpack plugin. You can use any “Related Posts” or “You May Also Like” plugin that you wish.
